- Particular problem
- The idea of the problem
- Tools
- Information about sports
- Nothing

5. Suggestions and comments for improvements

If you want you can write your comments

E-book is easy to use because the e-book is structured and the difficulty level of the tasks is indicated. The advantage is that for each sport there several tasks of varying difficulty.

Recommendation - describe the choice of the selected sports or add a comment on what kind of sports you can see as similar problem.
